SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

1. Significant accounting policies:

A. BASIS OF PREPARATION OF FINANCIAL STATEMENT

These financial statements have been prepared on the hybrid system of accounting, under the historical cost convention, in accordance with the accounting principles generally accepted in India and comply with the mandatory Accounting Standards as applicable.

B. USE OF ESTIMATES

The preparation of the financial statements are in conformity with generally accepted accounting principles (GAAP) which requires the Management to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the financial statements.

C. FIXED ASSETS

Fixed Assets are stated at cost of acquisition inclusive of incidental expenses less depreciation.

D. DEPRECIATION

Depreciation on fixed assets is computed on the written down value (WDV) method at the rates and in the manner prescribed under provisions of Income Tax Act.

E. REVENUE RECOGNITION

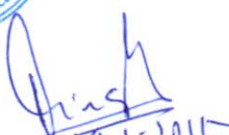

- (a) Revenue from membership fees are recognised on receipt basis.
- (b) Revenue from interest income is recognised on accrual basis.

F. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liabilities are not recognised but are disclosed in the notes to accounts. Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised.
